

Smoke-free Environment Act (2000) Resource order form

The *Smoke-free Environment Act 2000* promotes public health by prohibiting smoking in enclosed or substantially enclosed public places (with the exception of the private gaming areas of Star Casino). From 7 January 2013, the Act prohibits smoking in certain outdoor public areas, including: within 10 metres of children's play equipment; in spectator areas at sports grounds or other recreational areas when an organised sporting event is being held; within 4 metres of a pedestrian access point to a public building; at swimming pool complexes, and at public transport stops and stations. From 6 July 2015, smoking will be prohibited in commercial outdoor dining areas.

Have you got the signs and resources you need?

No Smoking signage must be displayed in the following smoke-free areas:

- enclosed or substantially enclosed public places,
- swimming pool complexes,
- light rail platforms, passenger railway platforms and ferry wharves, and
- commercial outdoor dining areas (from 6 July 2015).

A summary of the legislation and supporting information including factsheets and Frequently Asked Questions and Answers can be obtained from the NSW Health website: <http://www.health.nsw.gov.au/tobacco/Pages/smokefree-legislation.aspx>.
